# Ethics and Motto

## 1. The Four Way Test

Conceived in 1932 as an ethical guide to follow in all business matters:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

Recited at many club meetings, a very common display to see when visiting clubs.

## 2. Service Above Self

Rotarians enthusiastically adopted the motto **Service Above Self** in 1911 because it so aptly articulated the ideals that the fledgling organization was in the process of developing. For more than 100 years, this motto has served as the underlying motif of our efforts to carry out humanitarian service, promote high ethical standards, and work for international understanding and peace. As with anything that has become an innate part of our lives, it is easy to take this motto for granted. Each year will offer all Rotarians an opportunity to reflect carefully on the true meaning of **Service Above Self**, as we renew our commitment to this timeless message of compassion and generosity of spirit.
